MEETING AGENDA

Almighty God, maker of all mankind,
Bless those gathered here today in
unity of purpose.

Instill within our hearts love and
respect for each other;

Open our minds to new ideas.

Give us patience, wisdom and
foresight to plan,

And carry out those plans.

Give us calm strength to build for the
future;

To lead, to teach, to create, to select,
to govern, to direct;

And in so doing, engender true
sisterhood.

Help us to enkindle that which is just,
true and good,

For our alma mater, Spelman College.

We ask this in the name of one God,

Now and forever.

Amen.

NEWS FROM SPELMAN COLLEGE

DR. JANE SMITH, C'68

1946 - 2020

!! UPDATE !!

The reduced density is about 30 percent of Spelman's normal operating capacity. Spelman's Task Force has determined that we can support 350 students in the residence halls. First-year students, seniors and some student leaders will be given priority for residing on campus. The Division of Student Affairs is developing an application to reside on campus and a process for selection.

The balance of students will continue to learn remotely. To support the students living in the residence halls, there will be a select number of faculty and staff on campus for a total population that is about 30 percent of our normal operating capacity. Spelman students living off campus will be able to enter campus for events (up to the campus low-density re-population capacity) and for in-person classes.

VISION BOARD 2021

“Vision is the ability to...imagine a future that does not yet exist. It is the ability to see beyond the mess that may be in front of you, to abstract away from it, to clean it up and see a (hopefully better) future that does not yet exist.” - Sanjiva Weerawarana

“The power of imagination created an illusion that my vision went much farther than the naked eye could actually see.” – Nelson Mandela

“The difference between a dreamer and a visionary is that a dreamer has his eyes closed and a visionary has his eyes open.” – Martin Luther King, Jr.

What does it mean to vision?

They provide **clarity**. It makes the abstract and vague clearer and more defined.

A source for **daily affirmations**. Affirmations help stop negative self-talk, release you from limiting beliefs, and help you realize your full potential. They are the worst enemy of the little voice in your head.

It keeps you **focused**. Your vision board is your guiding light or north star, serving as a constant reminder of who, how and where you would like to be.

Why a vision board?

The vision is YOURS! There is no right or wrong way to make a vision board!

Goals can be personal, professional, relationship oriented, health, wellness, etc! It can include bucket list items
