# MEETING AGENDA

Almighty God, maker of all mankind,  
Bless those gathered here today in  
unity of purpose.

Instill within our hearts love and  
respect for each other;

Open our minds to new ideas.

Give us patience, wisdom and  
foresight to plan,

And carry out those plans.

Give us calm strength to build for the  
future;

To lead, to teach, to create, to select,  
to govern, to direct;

And in so doing, engender true  
sisterhood.

Help us to enkindle that which is just,  
true and good,

For our alma mater, Spelman College.

We ask this in the name of one God,

Now and forever.

Amen.

 Spelman College,  
A Choice to Change the World

The Spelman College Coronavirus Task Force has recommended a low density, hybrid model for the spring semester. That would mean that a modest number of students would be able to return to campus to live in the residence halls and take classes. Some classes would be in person, others would be remote.

No final decision has been made at this time.
